

Administrative Questions for new 11th std admissions 26-27

1. When will the academic year 2026-27 begin at MILLENNIUM?

The Academic Year 2026-27 is planned to begin in June 2026.

2. What is the admission intake and average class strength?

We have 60 seats available for each Science and SHAPE programme. However, the number of students in each class depends on the subject choices made by all the students. For all the elective subjects in the SHAPE program, the class strength doesn't exceed 50.

3. I have been a student of Millennium till Std. 10. Do I need to pay the Admission Fees for admission to Std. 11?

No, students who have completed Std. 10 from Millennium do not need to pay the Admission Fees again while taking admission to Std. 11

4. I have been a student of Millennium till Std. 10. Do I need to repay the Caution Money for taking admission to Std. 11?

Yes caution money deposit applies to all students. (However, if the Deposit amount was already paid at the time of admission to Millennium National School, it will be refunded after collecting the leaving certificate from the school.)

5. What is the process to get my previous Caution Money refunded?

Students who have completed Std. 10 from Millennium can claim their previously paid Caution Money by submitting the original receipt to the school office. The receipt must have a revenue stamp and the parent's signature across the back. Additionally, a cancelled cheque should be provided. The refund will be processed as per the school's refund policy after verification of records.

6. Will canteen facilities be available?

Yes, breakfast and lunch are available. Coupons must be purchased for these meals and can be obtained from the collection counter.

7. Will I be able to avail of school transport?

The school provides transport facilities, depending on whether the school's timings align with your location and class schedule.
